“WORLDWIDE TRANSPORTATION  
WITH A DIRECTION SINCE 1998”

# KLS WORLDWIDE CHAUFFEURED SERVICES: YOUR PREMIER GROUND TRANSPORTATION SOLUTION

Since 1998, KLS Worldwide Chauffeured Services has proudly served as the foremost ground transportation provider in Los Angeles and around the world. Our commitment to excellence is unwavering, ensuring that you receive nothing less than first-class service. We guarantee that your journey will be accompanied by professional, courteous, and extensively trained chauffeurs who truly make a difference.

Our reputation has been built upon punctuality, superior customer relationships, and a shared vision among our dedicated management and team members. Together, we have cultivated a powerful brand presence within our industry, rooted in our steadfast commitment to integrity and the delivery of the services we promise.

At KLS, our philosophy is embodied by our employees' unwavering dedication and determination to provide impeccable service, ensuring an unforgettable experience for all our clients. Rest assured that, no matter where you are in the world, KLS will be there to cater to your transportation needs.

Choose KLS Worldwide Chauffeured Services for a transportation experience that is truly exceptional.

# PERFECT FOR EVERY OCCASION

At KLS Worldwide, our commitment to exceptional service is reflected in our unwavering dedication to punctuality, chauffeur professionalism, and vehicle cleanliness.

We go above and beyond to ensure a premium experience for our valued customers. Punctuality is our priority

we consider being fifteen minutes early as on-time, valuing our customers' time as much as they do.

Our chauffeurs undergo rigorous selection processes and adhere to high standards of professionalism, ensuring a courteous and knowledgeable service. Our fleet, consisting of late-model, low-mileage vehicles, is meticulously maintained and cleaned to meet five-star service expectations.

This commitment knows no bounds – we provide this level of service 24/7, worldwide. Your satisfaction is our paramount concern, and we are proud to offer excellence in every aspect of our service.

# SAFETY & TECHNOLOGY

When traveling in one of our KLS chauffeured vehicles, an experience in sophistication of elegant luxury is at its finest.

With safety as a priority, KLS has also invested in modern day technology to ensure efficiency and reliability:

- Free Wi-Fi and Tablet technology for effective electronic dispatching
- GPS monitoring for last minute changes and requirements
- Up to the minute flight/traffic updates
- Prompt e-mail confirmation
- 24-hour e-mail reminder of upcoming reservation
- Status e-mail updates including chauffeur name and phone number before pickup, arrival of chauffeur and completion of reservation
- Prompt e-mail invoice or receipt
